

No deposit. No interest. No time to lose...

With interest free payments over three years, you can unleash the massive profit earning potential of the top-of-the-range MCB 72 Professional BBQ for **less than £5 a day**.

The offer is available across the entire Crown Verity range. So whatever outside space you have available, you can select the model to suit your needs and enjoy the best outdoor cooking system on the market.

- Stainless steel construction throughout
- Fully assembled – unpack, connect the gas and take your first order
- From rain covers to rotisseries – a complete range of accessories to customise your grill to your own style of cooking
- Easy to clean – removable water pans catch any dripping fat and grease and help to eliminate flare ups
- Compatible with the Simply Stainless range of modular benches to create your own bespoke outdoor kitchen – call for details
