Dear <Contact>

OUTDOOR COOKING – ARE YOU MISSING OUT ON A BIG REVENUE BOOST THIS SUMMER?

As we head into the summer there is no better way to maximise your profits and make the most of the weather than to provide an outdoor dining option for your customers.

Following a number of national live BBQ demonstration days and successful road shows with the Crown Verity range of BBQ equipment, RH Hall would like to invite you and your colleagues to our next “Live Cook Week” which is being held between the 16th and 20th May 2011.

Our exciting “Live Cook Week” event is totally free of charge to attend and gives you the opportunity to see the Crown Verity range for yourself and the chance to network with other Key industry players also interested in outdoor cooking solutions.

The event will include;

- **A look at the future of outdoor cooking & events for the foodservice industry**
- **How to maximise your profits with an outdoor food offering**
- **A live BBQ demonstration by Celebrity & World Champion Chef Ben Bartlett**

Crown Verity professional BBQ systems provide a complete outdoor cooking system that's customisable to suit every type of user. Whether you are a publican looking to cater for a small number of diners in your garden this summer or a hotel or Golf Club looking to cater for large events such as weddings or corporate days, the Crown Verity range can be tailored to suit any requirement.

The venue for this event is our state of the art demonstration kitchen at our offices in Pitstone, Bedfordshire.
