“Complete Outdoor Cooking Systems” – Free bonus packs, special prices and a seasonal payment scheme”

There simply has never been a better time to invest in a professional outdoor cooking system! Now established as the first choice for caterers, the Crown Verity range of professional barbeque systems are offered to Caterer Licensee &

Hotelier News readers with an extra bonus pack, for the months of July and August. The bonus pack consists of a Simply Stainless and chef's drawer and a 24-piece stainless steel tool set with a combined value of £678.00. Added to this are “special value” prices and a chance to pay on a unique “36 month seasonal

payment scheme” (subject to status).

All Crown Verity grills are designed and engineered to accept optional accessories – roll domes, wind guards, griddle plates, rotisseries, and stainless steel woks.

Removing, an accessory and changing with another, gives the capability of convection, steaming roasting, frying, smoking or grilling. From a simple BBQ function, an all day breakfast to a big hog roast event the Crown Verity Professional BBQ system offers the "Complete Outdoor Cooking Solution".

Crown Verity BBQ systems are a real profit maker and will ensure that the outdoor catering facility maximises food sales potential throughout the year, and with this offer there has never been a better time to earn that much needed foodservice profit!!
