

# Panini/Contact Grills

# hallco™

The Hallco range of Panini and Contact Grills is the largest and most comprehensive selection available in Europe and now reportedly the UK's bestselling range too! The food on the move market is huge and this type of offering is a must in any grab and go catering environment. All models are portable and operate from a 13 amp supply.

Fast heat up times and excellent heat retention delivers the efficient and consistent cooking results needed in a fast moving food operation. All of our grills come with non-stick cast iron plates for their heat retention properties and will allow for cleaning with metal scrapes and wire brushes. Add ease of use, attractive styling and great value for money it's no wonder we are the UK's no.1 panini choice.

**All models are made in Italy to the highest standards, backed up by a full 1 Year Warranty.**
