

Rice Cooker & Warmer **hallco**

With a reputation built up over many years of service to the foodservice industry, we have continued to increase specification and performance levels on our Rice Cooker and Warmer to ensure we keep one-step ahead of the rest!

Our Rice Cooker has modern electronic controls with simple one touch operation and a clever auto shut-off facility when the rice is cooked, making it even easier to use. Durable high quality stainless steel exterior finish and Teflon 'non-stick' interior with removable bowl make for ease of cleaning too. An indispensable must for any kitchen – great versatility at an affordable price, plus the largest cooking capacities available on the market.

These trusted products are backed up by a 1 Year Full Warranty.

MRC5L

5 litre capacity with 'cook and hold' feature – will cook 5 litres of rice, or as little as 1 litre, to perfection and hold it at a safe temperature for up to 8 hours without losing moisture and quality of rice. The only Rice Cooker on the UK market with electronic controls!
