Modular Stainless Steel & Bespoke Solutions

Following on the success of RH Hall's exclusive partnership supplying Simply Stainless 'off the shelf' fabrication systems and the acquisition of their own Fabrications business, RH Hall has launched a Bespoke Foodservice Solutions Division.

The new division marries together all of the products and expertise to provide a bespoke design and planning service that brings even more creative, cost effective fabricated solutions to the market – no other equipment supplier offers this kind of market leading, unique service in the UK.

Bespoke sizes, add-on's and alterations to existing units are all available, tailoring solutions to clients' exact requirements. You can even start the design process online using the new Kitchen Designer Tool available on www.simplystainless.com.

Combine the highest standard of finish, competitive pricing and a turnaround for large bespoke projects from build to delivery within 7 days – that's simply the best bespoke performance available on the market.

RH Hall also stock on a next day delivery basis, a wide range of Simply Stainless 'off the shelf' tabling, benches, sinks and accessories.
