

Olympic Delivery Information – July 2012

Further to previous notifications, due to the heightened security and restricted access surrounding the Olympics, there will be significant disruption to certain areas of the country, including London and the Olympic venues.

Our carriers, Tuffnells and Citylink have invested time and money to ensure that service levels remain at the best possible in the impacted areas. Due to this investment, certain surcharges will apply for affected deliveries.

Please use this simple guide to check if your delivery will be affected.

Any applicable surcharges will be invoiced with the goods, and should be included on your Purchase Order.
