

CLH – JULY 2016

TAKE YOUR KITCHEN OUTSIDE THIS SUMMER WITH CROWN VERITY

Maximise your food offering and increase your sales this summer by creating your very own outdoor kitchen. Start with a Crown Verity – the King of the BBQ world – with sizes starting at 30” and up to a massive 72” cooking area. Supplied with a roll dome, bun rack and shelf - with a multitude of accessories such as griddles and steam pans available – the versatility of this product goes much further than just cooking burgers and sausages, although it handles those with ease!

Add Simply Stainless prep tables, refrigeration and even bespoke branding to create a complete outdoor cooking and serving area.

Get the BBQ fired up and wait for the customers to arrive – it’s hard to resist the smell of BBQ food on a Summers day!
