Visit R H Hall Foodservice Solutions on stand K38 at this year's Lunch! exhibition, now in its new home at Excel, London. From 21st-22nd September 2017, we will be showcasing products from each of our exclusive brands – Sharp Commercial Microwave Ovens, Maestrowave Catering Equipment, Smeg Foodservice Ovens, Simply Stainless Modular Fabrication and the unique iWave Automated Foodservice Solution.

Highlights will include live demonstrations in the innovative Maestrowave Combi Chef 7. Janet Caveney, our Sales Development Executive, will be showing just how this product can provide a 'kitchen in a box' – turning out popular snack menu items such as pizzas, fries and panini's, with outstanding, fast and consistent results.

With our diverse range of quality equipment and knowledgeable Food Solutions team on hand, we will demonstrate exactly how we can provide a 'one stop' shop to all sectors of the industry.
