

Caterer & Licensee Alfresco Feature – September 2014

Crown Verity Professional BBQ Systems Prices from £499 + VAT -not just for the summer!

RH Hall is offering some great end of season offers on their exclusive range of Crown Verity Professional BBQ systems through their extensive dealer network. The summer might be coming to an end, but the opportunities for barbecuing are still numerous. Spice up your autumn events with a warming BBQ and give your hotel, restaurant or pub catering a big point of difference.

Crown Verity provides the complete outdoor cooking system, with a range of grills to suit every user – the range consists of five models from the entry mcb-30 which can cook up to 210 burgers an hour through to the mcb-72 that will cook up to 560 burgers an hour.

Every Crown Verity BBQ comes fully assembled, simply unpack, connect the gas feed, fire up and take your first order! And with a range of slot together accessories/components you can upgrade your grill to enhance and expand your BBQ menu when you need to.

And when not in use, the Crown Verity can live happily outside under an 'all weather' cover, so no additional indoor storage space is required. Large wheels and lockable castors on all models make the systems completely portable on site. With a 10 year warranty on the stainless steel burners and cooking grates, an investment in one of these BBQs is a wise one.

A Crown Verity BBQ is an investment that will generate large returns from day one. Rental, lease or interest free purchase options are available, with prices starting from £1,500 or just £5 per day!

Or why not consider the **BBQ Place 'roll in/roll out' outdoor cooking solution** available exclusively from RH Hall? A mobile cooking centre, complete with refrigeration, cooking facilities, preparation tabling, waste disposal, hand wash sink and POS systems this simple system can be rolled out and set up very quickly then packed away, if required, back into its packaging to minimise storage space ready for the next event.

With an extensive range of BBQs to suit every size of operation, plus a whole range of exciting accessories and the exclusive Simply Stainless range of tabling, sinks plus new portable hand wash system, and outdoor canopies to complement your BBQ, RH Hall can help create the perfect outdoor solution, including bespoke configurations for our own UK fabrications factory. On top of that we can even offer expert BBQ menu advice!

RH Hall has the exclusive distributorship for the range of Crown Verity professional BBQ systems in the UK and Eire and BBQ Champion, Ben Bartlett, endorses the Crown Verity range.
