Indoors or Out

With more than 30 years experience supplying the UK foodservice industry, RH Hall has the exclusive range of products to get a new food outlet up and running or expand an existing operation to provide a healthy boost in revenue.

Many businesses in the Garden Centre market have discovered that a well run café or shop can generate a very healthy increase in footfall and profits.

RH Hall are experts in planning and providing such a venture. The team at RH Hall can advise on how plan the operation, within the space available, develop a quality, simple menu and help choose the most suitable equipment for the needs of the operation.

They are approved national distributors for over 70 brands, with exclusive distributorships in the UK for Sharp, Maestrowave, Crown Verity, Smeg and Simply Stainless.

Today they are also seeking stockists for their Crown Verity range of Professional BBQ's, to launch into the UK domestic market. These BBQ's are top of the range units designed to withstand the worst the British weather can throw at them!

Ray Hall, Managing Director believes it is their service that is key to the success. "Our ethos is about providing our customers with the complete package – best known brands, extensive product range, with over 10,000 lines stocked, dedicated knowledgeable staff, including over 1,400 nationwide appointed dealers, insight into the market place, foodservice solutions, help and advice and some of the very best buying terms available in the industry. "

"We believe in keeping abreast of industry trends. It is important to work in

partnership with major food companies and suppliers. In this way, we can provide not just a piece of equipment, but a complete business solution. We have recently created a new team for our customers called the "food Solution division" to spear head this philosophy. They are experts in creating new concepts, working closely with these companies and our

customers in our extensive 2,500sq ft dedicated development kitchen facility offering a valuable hands-on environment to develop new menus and concepts."

In keeping with the concept of providing, the best facilities for their customers R H Hall have their purpose built distribution centre. This 23,000 sq ft facility houses the enormous range of products on offer, allowing for a greater stock holding, expansion into new product ranges, training facilities, an extensive product showcase and the provision to work on new menus.
