# Microwave Masters

R H Hall have been dominating the microwave oven market for 37+ years, building an extensive knowledge of this kitchen essential. R H Hall are the UK's largest, most knowledgeable and innovative microwave oven supplier and stock only models from leading commercial brands – such as Sharp, the UK's no. 1 and Maestrowave – having been sole UK distributors for both since 1992!

Microwaves are an essential part of any commercial kitchen and the latest technology means today's machines are sophisticated and easy to use – producing excellent results in a fraction of the time it takes conventional cooking methods. The versatility of microwaves is often hugely underestimated.

R H Hall offer the latest and most versatile products, including high speed combination microwaves such as the award winning Maestrowave Combi Chef 7. Packed with features including Menu Creator 2.0™ software, this oven can produce outstanding results at the touch of a button. A total of 11 different combination modes, with up to 99 pre-programmable menus ensure consistency time after time. **A video showing the features & benefits of this innovative product is available at [www.rhhall.com](http://www.rhhall.com)**

In addition, the range of market leading Sharp microwaves is available exclusively from R H Hall and their nationwide dealer network – offering machines from 1000 Watts up to extra heavy duty and high power 1900 Watts, catering for all foodservice applications. Designed with total flexibility and versatility in mind, all machines have in-built features to help save time and energy.

Leading brands are always looking to develop new functionality in response to the needs of many consumers. The Maestrowave iWave® system is a prime example of this development. Using the latest microwave technology, the system provides a unique, fully encrypted, bar coded meal solution which is suitable for a number of applications including hospital ward service, vending outlets and more. The product is a world first, and available exclusively through R H Hall.

Innovation is at the forefront of R H Hall and today's demanding market and as such R H Hall work with many of the UK's leading foodservice chain operators to produce bespoke solutions, offering optimum results. R H Hall can also provide much more than just the microwave solution – working with food suppliers on menu creations at our state of the art development kitchens plus accessing our 15,000 sq. ft. fabrications division to produce bespoke branded microwave housing units, increasing customer visibility and ease of use. ***The Total Foodservice Solution!***

R H Hall operate through a national network of approved dealers, along with our dedicated National Account and Food Solutions divisions, ensuring we always have the right person on hand to deal with any enquiry! **So for all your Microwave oven and foodservice equipment needs you only need one number – 01296 663400!
