

**SIMPLY
STAINLESS**

CATERING EQUIPMENT BUYER'S GUIDE 2018

PRODUCT PROFILE: SIMPLY STAINLESS – KITCHEN DESIGN MADE SIMPLE

Fully modular, easy to assemble and expandable with a full range of accessories, the Simply Stainless range of Modular Fabrications can create the perfect layout for any commercial kitchen. Everyday essential items such as Wall Benches, Centre Tables, Sinks, Racking and Wall shelves are all available at market beating prices, with Next Day Delivery available across the range. The wide range of accessories – including Chef's Drawers, Undershelves, Leg Braces, Door Panels & more – allow for bespoke designs with the speed of 'off-the-shelf'. Special doesn't have to mean special order! The high quality of every product in the range is backed up by a full Lifetime Warranty.

Available exclusively in the UK from R H Hall Foodservice Solutions

Ask for details of our unique Kitchen Designer Tool, with CAD and BIM drawings available for every product in the range!
