

**CROWN VERITY ADVERTORIAL  
BARBECUE FEATURE  
EAT OUT MAY 2017**

**CROWN  VERITY**

Crown Verity provide the complete outdoor cooking system, with a range of grills to suit every user – from the publican with a small outdoor space to the busy event caterer looking for the ultimate outdoor cooking station. The flagship MCB range leads the way - with built in models, charcoal models and a full range of accessories also available.

Designed to last a lifetime, every model in the range is built to the same high specification, using only the finest materials and workmanship throughout. A 10 year warranty on the Stainless Steel burners and cooking grates speaks for itself! A Crown Verity barbecue system will pay for itself in a very short period of time and become a great profit generator for many years to come.

Every model in the MCB range comes fully assembled with a roll dome, adjustable bun rack and removable end shelf – providing the perfect starter pack to take a menu outdoors. Also available are a wide range of accessories, which can all be easily fitted after purchase, allowing greater menu versatility. From griddles and rotisseries – to wind guards and covers – Crown Verity have the perfect solution for any chef.

Recently endorsed by the Craft Guild of Chefs, the Crown Verity range has a proven track record of being strong and robust, whilst providing reliable cooking temperatures and fast heat up times – the MCB range can reach full temperature in under 6 minutes! **Ben Bartlett – British BBQ Champion – also endorses the range and regularly holds barbecue cooking masterclasses throughout the country – contact us for details on the next event near you!**

For the ultimate outdoor menu, why not create your very own outdoor kitchen. By combining a Crown Verity Barbecue with a mobile hand wash station, food prep areas and perhaps even bespoke branding, venues can quickly and affordably set up a seasonal kitchen, without the need for plumbing or electrics. Refrigeration and bar equipment can also be added for more permanent structures, where power is available. Contact us for a site survey and quotation today!

***R H Hall are the Exclusive UK Distributor for the Crown Verity range of Professional Barbecue Systems – For more details, contact our Sales Team on 01296 663400 or [sales@rhhall.com](mailto:sales@rhhall.com).
